## Color Bubble Jet Printer

### Minimal Size. Maximum Performance.

- Up to 4800 x 1200 color dpi
- Up to 13 ppm black/up to 9 ppm color
- Bubble Jet Direct printing from select Canon digital cameras
- True borderless photo printing
- Wireless IrDA® compatible (Windows® only)
- *Advanced MicroFine Droplet Technology™* for exceptional photo quality

### Detailed, high-speed printing—wherever you are.

The Canon *i70* Color Bubble Jet Printer delivers a remarkable combination of high-performance and portability. It's capable of printing up to 13 ppm in black and up to 9 ppm in color, while achieving a resolution of up to 4800 x 1200 color dpi.\* Try finding that speed and resolution in another portable printer. Plus, Canon advanced MicroFine Droplet Technology™ uses a revolutionary nozzle system that ejects consistent prescribed-volume droplets in microscopic sizes, with incredible accuracy. The result? Dramatic resolution and detail on graphics and photos, along with clean, crisp text—from your home office, from the front seat of your car, or wherever you are.

### Borderless printing comes to portable printers.

Canon brings yet another first to portable ink jet printers: true borderless prints, with the look and feel of traditional photographs. Now you can produce 4" x 6", 5" x 7" or 8.5" x 11" borderless prints\*\* on the road, with stunning edge-to-edge quality and razor-sharp detail. Print photos fast on the *i70* printer—this mobile photo lab prints 4" x 6" photos in approximately 90 seconds.

### With the *i70* printer, convenience is built-in.

With Bubble Jet Direct printing\*\*\* and a compatible Canon digital camera or digital camcorder you can print with or without a PC—print anytime, any place. It is easy-to-use with sophisticated results. This means you can shoot a picture when you're on the go and print it immediately, which is ideal for both work and play. The *i70* printer features IrDA compatibility (Windows only) for remote operation and a USB interface for easy connectivity. Also includes Canon Easy-WebPrint† software designed for simple, fast and hassle-free Web page printing.

\* Ink droplets can be placed with a minimum pitch of 1/4800 inch.

\*\* Mac OS X borderless printing requires ver. 10.2 or later.

\*\*\* For a listing of compatible Canon cameras and camcorders featuring Bubble Jet Direct technology, visit [www.usa.canon.com/consumer/bubblejetdirect](http://www.usa.canon.com/consumer/bubblejetdirect)

† Windows® users only.

**TRUE HARMONY**  
IN A DIGITAL WORLD.
